WHERE?

IAAPA Attractions Expo TapeMyDay Booth 2260

WHEN?

IAAPA 15th-18th November 2016

WHO?

Everyone with an interest in the attractions industry, entrepreneur spirit and an interest in pioneering technology. New faces and old friends alike.

We are also a proud sponsor of the Monday evening Chairman reception.

What to expect?

TAPEMYDAY™ generates a film of your guest's entire stay, highlighting all their favourite moments. We mix recorded film with stock footage to generate an irresistible souvenir – as you will see in our brand new Experience Video. This film will be rendered in real time and instantly shareable onto social media.

We are able to do this through use of innovative software and a deep understanding of the industry.

TAPEMYDAY™ has worked tirelessly to perfect its product and is proud to show it to the world. To do so, we have designed a fantastic live demo specifically for this year's IAAPA. Not only will you be able to see the proof to our claims, but you will get to take home a souvenir as well!

We are also featuring the PIM (Pictures in Motion) video cards as a perfect merchandising match with TapeMyDay.

Our enthusiastic team will be able to explain the finer details about our solution, as well as help you picture the countless possibilities, frame by frame.
